Teamsters Credit Union Scholarship Application

2022 – Two $1,000 Scholarship Award And One $500 Scholarship Awards

Teamsters Credit Union has established a scholarship for the education of students who are immediate family relatives of Teamsters Credit Union members, and are pursuing post-secondary studies.

Credit union membership is exclusive for Teamsters and their families.

Credit union membership is required for a Teamster member's family relative to be eligible to apply for this scholarship award.

We encourage all scholarship applicants to also join Teamsters Credit Union to take advantage of credit union savings, checking, and loan services.

The winners will be selected by lot and announced at Teamsters Credit Union's Annual Meeting, held in April of each year. All applicants are limited to winning no more than two scholarship awards from Teamsters Credit Union.

Scholarship awards must be claimed by the qualifying winner and disbursed by the credit union in the calendar year in which they are awarded. Payment is made by reimbursement to the recipient upon the submission of paid receipts. If these charges add up to less than $500 or $1,000, an award of such lesser amount will be made. Payment can also be made directly to the school upon receipt of school bill.
